EDEN'S GREEN

*Welcome*

Bordered by mature woodlands and leafy hedgerows, our luxury new Eden's Green development in the charming village of Bleadon, North Somerset features 42 new energy efficient family homes, nestled within the grounds of a former quarry and boasting excellent transport links.

This unique landscape has been carefully re-imagined, creating contemporary living with community in mind and nature at its heart.

As you arrive, you'll be greeted by a wetland pond at the entrance, setting the tone for what lies within – a new community park with a children's play area, community orchard and plenty of green open spaces.

## Village Living

Amongst this historic village's many charms, is undoubtedly its amazing location – situated where the beautiful Mendip Hills Area of Outstanding Natural Beauty meets the Severn Estuary and the River Axe and just 4 miles south of Weston-super-Mare, with its long, sandy beaches, promenade and Grand Pier.

Steeped in history, Bleadon was mentioned in the Domesday Book. Today, it is a thriving and welcoming community offering a range of local amenities – as well as great commuting links to the nearby motorway network.

It is the perfect place from which to explore and discover beautiful coastlines and stunning nearby countryside.

## ZERO BILLS™ WITH OCTOPUS ENERGY

Selected plots on the development qualify for 'Zero Bills™' with Octopus Energy – meaning you'll pay no energy bills for 10 years, guaranteed (terms and conditions apply).

Zero Energy homes are energy efficient properties with solar panels, storage and smart tech to help you live in comfort with zero energy bills.

Octopus integrates with the home's low carbon devices to optimise the flow of energy throughout the day. Homeowners can use power from their own solar panels on sunny days. Any surplus solar energy generated then offsets the cost of energy imported from the grid when it's cloudy - guaranteeing free energy bills all year round.

This combines with the Octopus Energy App to put homeowners in control of their own comfort.

Zero Bills, zero worries.
